

People should “not be judged by the color of their skin but by the content of their character”

- Martin Luther King

“A wise Latina [judge] ... would more often than not reach a better conclusion than a white male [judge].”

- Sonia Sotomayor

President Obama Promised to Transcend Race.

Did his choice of Sonia Sotomayor for the Supreme Court fulfill that promise?

Look at her record and decide: **SOTOMAYOR ...**

- Believes “women or men of color ... [may] have basic differences in logic and reasoning.”
- Promises that her “Latina heritage” will affect her judicial decisions.
- Sided with a city that discriminated against white firefighters.
- Led a group that supported violent Puerto Rican terrorists and “Black English” in public schools, while opposing a requirement that government workers speak English.
- Calls herself “the perfect affirmative action baby.”
